

Warrington YOUTH FOR CHRIST

This month we say thank-you and goodbye to Darren as he moves onto his new role. We also thank God for His many blessings to us!

It has been a busy month with highs, some lows, and goodbyes. We started the month with a super fundraiser, inviting many of our supporters, friends, and family to join us for the quiz on Zoom. We are so grateful for the donations that help towards our online support for young people.

We continue to upload daily videos, messages and games on social media, as well as running our weekly Fresh and Fresh Extra groups with young people on Zoom. Although we are still working from home as a team, God is still with us and working through us, and we are grateful for the many blessings he gives us. One of our weekly themes on social media this month was **blessings**. I believe that God is blessing us at Warrington Youth for Christ, and that he continues to enable us to reach young people in new ways. I believe based upon 2 Corinthians 9:8, that **"God is able to bless us abundantly, so that in all things at all times, having all that we need, we will abound in every good work."** We and our methods may change, but the gospel remains the same. We ask that you would please pray for us right now, that God would continue to bless us abundantly as we head into the summer holidays, continue the social media work, and plan for our future schools work and outreach.

£380 was raised at the online quiz fundraiser! Thankyou to everyone who attended and donated - it was a great evening!

**Thankyou
Darren!**

This month, we say goodbye to Darren as he moves onto his new role with Christian Aid. He initially stood in temporarily to continue the work in Birchwood throughout the recruitment process, however he has worked so hard throughout lockdown to continue connecting with, supporting, and discipling young people online throughout this time. We thank Darren for all he has done - please join us as we pray for him in his new role!

**Would you like to
join the team?**
