End of an Era

"In the early days of my Warrington Youth for Christ ministry I was in the Orford/Dallam areas of town - based in Beamont High School and doing detached outreach in the local community. I came across a young cheeky chappie who was a bit of a tear-away! After a few months of bumping into him on the street and subsequent connections within the high school, Scott came on one of our trips and later joined a local football team I was coaching.

It wasn't long before Scott was a regular at events such as Fridays @ the Throne (worship event), and Emerge (youth discipleship) which aided his journey of faith. After joining a church and growing more in his relationships with Jesus, Scott took part in our Mission Academy programme and then completed two gap years at Warrington Youth for Christ before joining us on our staff team where he has served for the past ten years! It's with mixed emotions that we say "au revoir" (sad for ourselves, yet happy for Scott) as he moves on to a new career in plumbing. We are so blessed at all that God has done in him and through him over the years."

Thankyou and Goodbye to Hannah

"We are saying another goodbye this summer to Hannah who started work with us in 2019. After three fruitful years, even though navigating the covid situation, Hannah has pioneered schools work ministry within Culcheth High School, 'The Tent' detached project on Friday evenings, and seen a thriving group of young people develop in their faith through her Fresh after school club, as well as delivering countless faith-based videos on our social media platforms. Thanks Hannah for all you've allowed God to do through you as part of this team!"

PRAYER POINTS

1. Please stand with us as we pray God's rich blessings on both Scott and Hannah
2. Pray also for the work and workers going forward in these areas, that God would send the right people as we recruit.

Do you want to join us as we take the good news of the gospel relevantly to every young person in Warrington? Do you know anyone who is passionate about sharing Jesus with young people, and is looking to be part of a like-minded and missional team? Then we'd love to hear from you!

We are looking for a full-time Schools/Youth Worker for the Penketh/Sankey area of Warrington. Go to our website or get in touch to find out more.
