

Warrington YOUTH FOR CHRIST

***"I THINK SHE
WILL TRULY GET
TO KNOW HOW
MUCH SHE IS
LOVED BY GOD..."***

Alex Stewart

“Last month, we held the Tolerance Tour, seeing over 4000 young people across six high schools in Warrington. The week culminated with Fuse - an evangelistic event at the Youth Zone.

Over the week, there were two moments for me that stood out. Firstly, a girl who approached us after a session and asked about prayer and how to become a Christian. We had a brief chat there, and she then came along to Fuse at the end of the week. She responded to the gospel and made a commitment that night, praying and crying. She has been through a lot in the past and thankfully God is working on that with her, and I now have the opportunity to pray with her and help her further.

The second moment was another girl who is struggling with loss. A few months ago, God challenged us as a team to be praying for young people by name, and she has really been on my heart since then. Last week when I saw her she just seemed so different. She seemed to be her old self that I first met, and she said that one of her highlights was seeing me and chatting. God is clearly doing something there - I really think she will truly get to know how much she is loved by God."

Thankyou for all your support with this mission week - those who have been faithfully praying for us and those who volunteered on the night of Fuse. We praise God for answers to your prayers!

PRAYER REQUESTS

1. Please pray for the two girls mentioned you were impacted by the mission week - that God would continue to meet with them with his love and grace.
2. Please pray for the upcoming Christmas events - that even more young people would be reached with the good news.
3. Thank God for all the fruit from this mission week, and pray that God would continue to guide us when we come to plan the next one.

UPCOMING EVENTS

This month, we will of course be celebrating all things Christmas, and taking all the opportunities we can to share the good news of Jesus with young people. We're excited to be involved in delivering Christmas assemblies in several different high schools, reaching thousands of young people with the true meaning of Christmas.

We're also excited to be taking the Academy out on a Christmas Outreach Night where we'll be aiming to reach many people, as well as supporting these passionate young people, hopefully growing their confidence in evangelism. Please follow us on Facebook or Instagram (see the bottom of this e-mail) if you'd like to receive more regular updates on how this goes throughout the Christmas season!
