

Warrington YOUTH FOR CHRIST

EXCITING NEWS...

We're pleased to announce that Alex, who has been working part time in the Town Centre, will now be full-time as he covers the Penketh/Sankey area too. As a former Penketh student, it's so exciting to see this ministry get off the ground. This month, Alex shares an update on how it's all going...

Alex Stewart
Town Centre/Penketh Worker

“ Starting this new role as the Penketh/Sankey Worker is a huge honour. I have already had great conversations in Penketh High and I am also a former student. The backing from both St. Mary's and St. Paul's has been amazing and there is a real sense of working for the Kingdom of Heaven in every planning meeting. God has already answered prayer in putting things in place for the running of a Fresh club after school on a Tuesday - Praise God!

We have also seen God move in so many ways in the work in the Town Centre. One stand-out was meeting a young person on detached work before the Blades Down Tour and we had a good, open conversation about faith. She gave us a wave in school and we also connected again on a Friday night in Warrington Youth Zone. After following up, I had an even better conversation, building a good relationship. She is struggling in school and we bonded a bit over the fact that I go to church with her favourite teacher!

Reflecting on our 4D Strategy: demonstrating the love of Jesus, declaring the good news, offering a decision to follow Jesus, and discipling young people, we have already achieved two of these and I would love to see her progress in this as the relationship continues.

PRAYER REQUESTS

1. Pray that I get the opportunity to speak more to this young person in the Town Centre, working towards offering them the decision to know Christ.
2. Pray that God provides many opportunities in Penketh High to speak the true reality of the Christian faith in lessons.
3. Please pray that I find balancing both of these roles manageable with a very busy 2024 ahead!

YOUTH FOR CHRIST SUNDAY

9TH JUNE 2024

A date for your diaries -
Sunday 9th June 2024!

We are excited to be launching an annual Youth for Christ Sunday, where all churches across Warrington are encouraged and resourced to deliver a short update on the work of Youth for Christ and an opportunity to give to this ministry. We are in the process of contacting all the churches in our town, but would also appreciate you passing this information onto your church leadership team if you're reading this!

COULD YOU BE A YOUTH FOR CHRIST REP?

In light of this, we are recruiting church members across Warrington to be Youth for Christ Reps, to facilitate the delivery of Youth for Christ Sunday in your church. We will provide you with all the resources required.

Do you think you might be interested in becoming a Youth for Christ Rep in your church, or would you like to know more? We'd love to hear from you, just send us an e-mail at office@warrington.yfc.co.uk
