Warrington YOUTH FOR CHRIST

Young
people
praying for
each other...

Kim Wellens Latchford

“Over the last few weeks at Fresh, we’ve been doing a series about Prayer. To be honest, I wasn’t really sure how best to run it - there are many young people from different backgrounds and beliefs, and such a range of ages - I wanted to make sure everyone had something to take away which was relevant to them. Most weeks at our Youth for Christ team meetings, I’ve been asking the team to pray for Fresh - and I personally needed prayer to trust that in my weaknesses and uncertainties, God is strong and can do incredible things!

We did a session where each young person wrote down something they would like someone to pray for, and then we all swapped papers and everyone prayed for someone else. I wasn’t too sure to what extent they engaged with it, but the session ended and many of them took their prayers home. The following week, a Year 10 young person came into Fresh so excited to share that the prayer she wrote down had been answered! Not only did she go and tell the person who had prayed for her - a young Year 7 girl who is so contagiously passionate about her faith - but she also wanted to share this testimony with everyone else at Fresh.

So, at the end of the session, she spoke in front of everyone (something she doesn’t usually do) about what she had written down, how this Year 7 girl had prayed, and how the situation had been resolved. That week in the Prayer Series had been all about thanking God, and I was so grateful to Him - not just for the answered prayer, but also for the girl who prayed, how she was encouraged, and how He was clearly working and moving amongst this wonderful group of young people.”

PRAYER POINTS

1. Please pray for these two young people - the girl who faithfully prayed, and the one who experienced answered prayer.
2. Pray for the future of this Fresh group as we are close to finishing for the summer and looking towards September.
3. Please pray for the missional opportunities over the summer holidays - both in our summer mission week and also at Creamfields festival.

There are still a couple of weeks left to sign up for the Church team at Creamfields. This is such an incredible opportunity to show the love of Christ to thousands of people in such a simple way - by being the church and caring for them.

Finally, **THANKYOU!** Last month, we did our first post-pandemic Blackpool Trip, and it was a great joy to take a whopping **160 young people** to the Pleasure Beach! The weather was beautiful, a great time was had, and all returned home with no issues.
Thankyou for your prayers for the trip!
