

JULY 2023

Warrington YOUTH FOR CHRIST

**THE TEAM IS
GROWING
READY FOR
ANOTHER
MISSION WEEK**

Alex Stewart Town Centre

We are excited to introduce the newest member of the team, someone who may be a familiar face to many of you! Alex first got involved with Youth for Christ as a young person and came through the Mission Academy. After he worked with Trafford Youth for Christ, we are thrilled to see him return to Warrington as our new Town Centre worker.

Hi Alex, welcome back to Warrington Youth for Christ! Tell us a fun fact about you...

"Hi! A fun fact... I have run two half marathons, and I follow five football teams."

I'm sure the young people will be intrigued to find out which five teams you follow, let's

hope Warrington Town is one of them. But tell us, what brings you to Warrington Youth for Christ?

"I was up in the air with work and what I should be doing next, but I called Steve and we spoke in detail about the job. I prayed over it that weekend and could just see God was putting everything in place for me to return to Warrington."

Little did you know at the time that your phone call to Steve came the day after we had specifically prayed for a Town Centre worker. Praise God! What are you looking forward to about this new ministry?

"I'm looking forward to building relationships with young people, the school, and volunteers."

Do you have a favourite Bible verse or scripture that will encourage you as you begin?

"My favourite Bible verse is Proverbs 16:9: A man's heart plans his way, but the Lord directs his steps."

We pray that God would direct your steps. Is there anything else you'd like to say to introduce yourself?

"I have a long-term vision for detached youth work on Friday nights which starts with going into the town centre streets, meeting young people, building relationships, and sharing the love of Jesus. This would then hopefully build into some sports ministry and a discipleship group with those who are interested. This needs three big things:

- Prayer for safety for the team and that young people's hearts would be open to talk about faith in Christ.
- The recruitment of volunteers to partner in this detached work.
- To see young people integrated into local church groups.

If you'd like to know more then do get in touch!"

PRAYER POINTS

1. Please pray for Alex as he starts his new role in the Town Centre and UTC School
2. Pray for our mission week, the Blades Down Tour, and the Fuse event at the end of the week. Pray for the many hundreds of young people who will hear testimonies about the power of God.

We kick off July with another Warrington-wide Mission Week! Marvin Adamha returns to deliver an anti knife-crime awareness tour, encouraging young people to reflect and make positive decisions in regards to violence and knife crime. He will share about the power of God at work in his own life with many hundreds of young people throughout the week, and the Blades Down Tour will culminate with another Fuse event at Warrington Youth Zone.

Fuse will take place on Friday 7th July at 7pm and all high-school aged young people are welcome! Come down to Warrington Youth Zone.
