

Warrington YOUTH FOR CHRIST

RIVER MISSION, AND UPCOMING EVENTS

River Mission

During half term, we had a great week on the River Mission with our young leaders Academy. Over the three days, we received Bible teaching in the morning followed by some form of outreach in the afternoon.

The teaching focussed on the Father, Son, and Holy Spirit, reminding us of our identity as children of God, the amazing sacrifice Jesus made for us, and how He fills us with His Spirit to go out and share His love with the world.

We then went out into the local community on mission by helping to run a children's Bible holiday club, going out into the town centre and giving out roses and Bible verses as a reminder of God's love, and finally going out on the streets and offering prayer.

The Academy is about getting young people trained and equipped to live out the call that God has for them, so if you know any young people that you think would benefit from being part of this programme then please do get in touch with Kim on kim@warrington.yfc.co.uk

Warrington YOUTH FOR CHRIST SNOWDON CHALLENGE FUNDRAISER

15TH MARCH 2025

This month, our lively and youthful team of youth workers are plagued with dodgy knees and bad backs, so we've decided to split into two teams and race each other to the base of Snowdon.

On Saturday 15th March, Team 1 will be hiking up and down Snowdon as quickly as they can, whilst Team 2 will be cycling along the North Wales Coastal Path in an effort to reach Snowdon before Team 1 complete their hike.

Why, I hear you ask?

Well, in the first term of this school year, we delivered nearly 200 one-to-one mentoring sessions, and have seen over 120 young people attending Christian clubs in local high schools and churches - the majority of whom are completely unchurched. They come and bring their questions, thoughts, doubts, and experiences, and our aim is to be there for them and meet them exactly where they are, sharing with them the acceptance, love, and hope that can be found in Jesus.

It's for this reason that taking on fundraising challenges is so important to us as a team, because it's only by your generous donations that we can offer free youth workers to high schools across Warrington. Your sponsorships are for the many young people who receive mentoring every week - a space to chat about life, hopes, worries, and mental health. It's for those who find belonging and friendships in youth clubs. It's for those exploring faith - discovering the life-changing unconditional love of Jesus and the good news of the gospel.

Every donation is for them. That's why we want to raise £5000 to see this work continue to grow. Scan to QR code to head to our fundraising page.

PRAYER REQUESTS

1. Please pray for our fundraising effort. Thank God for the generosity of supporters and pray that we would reach our £5000 target!
2. Pray also for the upcoming mission week, the Tolerance Tour Part 2 - that many more young people and schools would be reached with this crucial message. Pray also for Jon Jackal as he delivers these sessions, and the follow-up with our team afterwards.

We're also looking forward to an upcoming mission week, Tolerance Tour Part 2! Jon Jackal will be returning to Warrington delivering anti-bullying sessions in high schools across Warrington, sharing the love and teachings of Jesus with many young people, and we can't wait!
