

Warrington YOUTH FOR CHRIST

Many hundreds of young people have heard the message of Christ... and we pray for even more in 2023!

HAPPY NEW YEAR!

Last month, we reached many young people with the true meaning of Christmas. We were excited to be invited to Padgate Academy to deliver Christmas assemblies for over 500 young people. We shared about how we so often focus on temporary joys at Christmas (food, presents, decorations, time off school), but that there is an eternal gift to be received at Christmas - the gift of our Saviour, Jesus Christ.

The eternal gift of Christ is free to everyone. He wasn't just a gift to the world 2000 years ago, but He is a gift that can be received today.

Many hundreds of young people across Warrington have heard this message throughout 2022; in assemblies, collective worship, RE lessons, after-school clubs, debate clubs, youth groups, drop-ins, and through social media.

We pray that Jesus would be kept in the hearts, minds, and lives of teenagers in our town throughout 2023, as we continue reaching young people relevantly with the good news of the gospel, and see lives transformed by Him.

PRAYER POINTS

1. Please pray for the many hundreds of young people who have heard about the coming of Christ in December. Pray that these seeds would be watered and bear fruit.
2. Please pray for the team as we look ahead to another new year. Particularly as we are in the process of recruiting a Penketh/Sankey worker, pray for God's wisdom and leading in this decision as the team grows.

A thank you from the team...

As we look forward to another new year, we want to say a huge thank-you to all of our supporters. To those who give financially to Warrington Youth for Christ, to our volunteers who help out at clubs and projects, to the churches and organisations with whom we partner, and to those who faithfully pray for us and get in touch with encouragement.

We are so grateful for each and every one of you, and we pray that you would have a blessed 2023 as you continue to walk with Him.
