***“HOW WILL THEY
HEAR ABOUT HIM
UNLESS SOMEONE
TELLS THEM?”***

“

Happy New Year! Hopefully you will forgive me for talking about Christmas in January, but as we look back on the last month, December is always such a crucial time for us at Warrington Youth for Christ, where we get so many incredible opportunities to reach many hundreds of young people with the good news of Jesus - God himself arriving on earth.

We are aware that for many young people, they won't hear anything about Jesus in their normal day-to-day lives unless someone intentionally goes and tells them. It reminds me of the challenging verse in Romans 10:14: "How will they hear about him unless someone tells them?"

We have had many opportunities in schools around Warrington share about the coming of Christ, and I became acutely aware this year about how this has become the norm in so many of the schools we work in. Easter, Christmas, and during our school mission weeks, the whole school community is regularly hearing about the unconditional love of God, and how a relationship with Him is made possible through Christ. Messages of hope - both hope in this life, and hope for eternal life - are regularly preached and our prayer is that this seed would bear fruit.

As Alex mentioned last term, we felt challenged as a team to be praying for young people by name. There are many young people who are regularly having this seed sown into their lives, and we want 2025 to be a year where this seed would continue to grow significantly and bear spiritual fruit in the lives of young people. Where they would not just hear about Jesus, but they would want to know Jesus and accept Him.

This is only made possible through prayer. That's why we are always seeking more people to partner with us in prayer, and we are so grateful for your consistent and faithful prayers for this ministry. Thank-you for your support, and we pray for God's blessings and guidance for you in 2025."

PRAYER REQUESTS

1. Please pray for the team as we head off to the national Youth for Christ staff conference next week. Pray that we would each meet with God in significant ways and receive vision, guidance, and strength for the coming year.
2. Pray for all of the young people who have heard the good news of Jesus in the last month. Please join us in praying that young people would have open hearts and minds to his transforming love.
3. Thank God for all the faithful intercessors in this ministry, and pray that for more prayer partners in 2025.

UPCOMING EVENTS

We are looking forward to the national Youth for Christ Staff Conference next week, where we'll join other centres and ministries from across the country (and around the world!) to worship God and be equipped with Biblical teaching and practical training for the coming year.

We are also very excited to have a Padgate Worker starting this month. This has been a huge answer to prayer, and we'll share more about this in the next newsletter!
