

Warrington YOUTH FOR CHRIST

This month, we welcome Rachel to the team as the new Birchwood Worker! Get to know Rachel and pray for her as she starts her new role...

Rachel Harper **Birchwood**

“Hi, I’m Rachel, the new Youth for Christ worker in Birchwood! I’m excited to be starting in Birchwood Community High School soon and I look forward to getting to know the young people there. Here’s a little bit about me...

- I was born and raised in Warrington
- I couldn’t live without tea (Yorkshire Tea all the way!)
- I love to bake; my friends have unsuccessfully tried to persuade me to go on the Great British Bake Off a few times.
- I’m passionate about young people encountering Jesus.

“Now is definitely a strange time to be starting youth work but I believe it is a really important time to be there for young people and I’m grateful that the local high school are still happy to have a youth worker in the school. High School is stressful enough for young people without COVID on top, and I’m hoping to be able to help them to navigate these strange times by being a listening ear, someone to chat to, and showing them the love of Jesus.

“God is still able to speak through Zoom meetings and encounters in the school corridor, and I’m looking forward to being able to tell stories of what He has done in Birchwood in the coming months. We must be encouraged that, no matter what the coming months look like, God is still God. He is still compassionate, powerful, merciful, loving, and sovereign.”

PRAYER POINTS

1. Please pray for Rachel as she starts her new role. Pray that she would settle in well and have good opportunities in the school to connect with staff and young people.
2. Pray also that Rachel would be able to reach those young people who may have drifted away from being engaged with church over lockdown.

Social Media Evangelism

@yfcwarrington

Throughout September, we have been running an Instagram series called “The Way”, following the basics of the Christian faith in a simple, relevant way for young people to engage with on social media. This has included videos, discussions, stories, and opinion polls for the young people to vote in. We have had some fantastic engagement from young people with a variety of beliefs, backgrounds, and views. We pray that God would be with them as they explore faith for themselves!
