

Warrington YOUTH FOR CHRIST

***GOD IS ALREADY
WORKING IN
THEIR LIVES...***

Rachel Harper
Birchwood Worker

Our prayer at Youth for Christ is to make the invisible God visible to the young people of Warrington.

"There are many invisible things in the world that we believe in and even take for granted - for example, gravity or air. A few weeks ago, at Ignite Youth in Birchwood, we challenged the young people to prove the existence of something invisible.

One team pretended a plastic cup was an apple, and one of them was Isaac Newton, proceeding to drop the cup repeatedly onto the boy's head in their attempt to prove that gravity existed. Another team opened the back door wafting pieces of paper to prove that wind existed. However, for both teams, our volunteer judges weren't convinced in their attempts to prove their invisible thing existed. Each team had only demonstrated the effect of gravity or wind, not proved its existence.

We then spoke about how God is also invisible, but if we look closely, we can see the effect He has on our lives, such as answering our prayers. The young people were asked to think about what could convince them that God was real or what had convinced them already...

"I believe in God because of the Bible", one young person answered.

Another said, "I believe in God because He answered my prayers."

"I believe because Jesus died on the cross."

Amazingly, these three answers came from unchurched young people! It was really encouraging to hear that God is already at work in their lives. We're looking forward to exploring more about God with them over the coming weeks."

PRAYER REQUESTS

1. Please pray for Ignite Youth at Birchwood - for the sessions taking place over the coming weeks and for the young people to learn more about who God is, being open to His presence.
2. Please also pray for our upcoming mission week and Fuse event. For many young people to receive the message of Jesus and come to know Him!

If you'd like to know more about volunteering at Fuse, contact office@warrington.yfc.co.uk

This month, we're back with another Schools Tour and Fuse event! During anti-bullying week, our guest artist Jon Jackal will be touring the high schools of Warrington with a message of tolerance and respect, encouraging young people to treat one another the way they wish to be treated. The week will then culminate on Friday 15th November with a free gig at Warrington Youth Zone, where Jon Jackal and guests will be performing their music as well as sharing a gospel message and inviting young people to respond.
