

Warrington YOUTH FOR CHRIST

GOD DOES AMAZING THINGS

Alex Stewart
Town Centre/Penketh Worker

Penketh:

Over the last month as we return to our schools from the summer holidays, we are excited to get back and put a big focus on Bible distribution! Last year I ran a reflective space in school where two young people received New Testaments, and we look forward to more opportunities to get the Bible into the hands of young people. Fresh is going to be re-launching this year as a school enrichment club, meaning we will be more integrated into the school lesson timetable and hopefully have many more opportunities.

Additionally, our Friday night drop-in has been thriving and we have even added to our number of volunteers. We have been allocated more space by the Parish council who are generously letting us use the building, so please pray this extra space would be filled with young people! We are currently reaching many boys but are still yet to see many girls join us even with the many activities we have prepared, so we pray for breakthrough with this group and that more young people would be reached with the good news.

Town Centre

I'm continuing to work in UTC and have many opportunities to deliver faith-based content in this school. I'll be taking young people away to visit churches, offering support to staff, and more recently I've had the opportunity to deliver an assembly on tolerance.

I have also been working with Central Church and look forward to supporting their youth programme on their church weekend away this month, so please pray for their young people as they go deeper in their faith, and pray that we can continue to serve them this year.

We are excited to announce our next Fuse event on Friday 14th November at Kings Church, Longshaw Street, Dallam.

Throughout that week (which is Anti-Bullying Week) we'll have reached thousands of young people across high schools in Warrington with session on the Power of Words, both the words we use to one another and the power of God's Word in our lives.

To culminate this mission week, we're running an evangelistic gig with live Christian music, a gospel presentation, and an opportunity for young people to respond and find out more about what it means to follow Jesus.

All young people of high-school age are welcome to Fuse, so bring your youth clubs and spread the word!

PRAYER REQUESTS

1. Please pray that we would see the Friday night drop-in continue to grow and we would see some girls join too
2. Pray for our upcoming opportunities to partner with Good News for Everyone (previously the Gideons) to see Bibles distributed to hundreds of young people across Warrington!
3. Please pray for Eliana as she starts her Gap Year programme - pray that this would be a year where she would know Him better and see Him move powerfully

We are so excited to welcome Eliana onto the team this year as a Gap Year Student!

Seven years ago, Eliana (then in Year 7!) wandered into one of our Fresh after-school clubs on the promise of free doughnuts. Three years ago she joined the Youth for Christ Academy, wanting to continue deepening her relationship with Jesus and put her faith into action. Now we are thrilled to see her giving a year out to serve God and His mission to reach young people, and we can't wait to see all that she will do this year!

Head over to warrington.yfc.co.uk/eliana to find out more about Eliana
