

Warrington YOUTH FOR CHRIST

We are so excited to welcome a new worker to the team! You might recognise Marvin as one of the rappers/evangelists who has worked with us on several schools tours and Fuse events... Well now, we're delighted that he's our full-time Culcheth worker.

I'm Marvin and I'm the youth worker for Culcheth High School and the Culcheth area.

Some of my previous experience includes working as a Senior Mental Health Practitioner with young people, being a mission evangelist as part of the rap collective Vital Signs, and working in prisons delivering music courses, Bible studies and faith groups.

I've worked with young people for 19 years (man, that makes me feel old!), and I'm excited to be able to combine two of my biggest passions; Jesus and young people. My heart's desire is to see young people saved and transformed by the love, peace, joy, and hope of Jesus Christ. I want to go after the least, the last, and the lost.

Through my experience, I have learned that young people don't care what you know until they know that you care. My aim is to build a strong rapport with the young people in Culcheth and create a safe community for them to explore the Christian faith and follow in the footsteps of Jesus. I am also a rapper and evangelist and use my music gifts to glorify God.

LIMITLESS FESTIVAL

This month, Rachel took a group of young people from Birchwood to Christian youth festival, Limitless...

"We had an amazing time. The sun was shining, our tents didn't blow away in the wind, and God moved in power. It was such a joy to be in a room with thousands of young people and youth leaders worshipping Jesus..."

CREAMFIELDS ❤️

At the time of writing this, the team are preparing to head to Creamfields. But by the time it lands in your inbox, it will all be over! We are excited and expectant for this incredible missional opportunity to share God's love with thousands and festival-goers, and we will share more about how this has gone in next month's newsletter. For now, click below to see We are the Church socials and find out how it went!

PRAYER REQUESTS

1. Please pray for Marvin as he gets settled into his role in Culcheth, getting alongside young people and building relationships in the school
2. Pray for the 85 volunteers who signed up to serve festival-goers at Creamfields - that they would be enjoying their well-deserved rest as you read this!
3. Please also for all of the festival-goers who came through our doors over the four days and nights of Creamfields, that seeds will have been sown into their lives that would bear fruit as they return to their homes and normal lives.
