

Warrington YOUTH FOR CHRIST

Kim
Wellens

Latchford

This month, we welcome Adam to the team full time as he takes on the role of reaching young people in Penketh! Kim has also been sharing weekly morning devotions with Year 7 forms in Boteler and has been having some great conversations. Read on to find out more!...

“Last month, I stood in front of a Year 7 form group and said to them; “If I were to ask God what He thinks of you, what do you think He would say?”

Four young people put their hands up to answer. The first said, “He would tell you I’m going straight to hell.” The second said, “He’d say I’m good in school but a demon at home!” The two remaining young people both said that God sees them as annoying.

In that moment, I was so grateful that God gave me the opportunity to stand in front of them and challenge the lies that they believe about themselves. That God is not annoyed by them and that there is hope for them. Not one of them described themselves as loved and treasured by God, so to be able to tell them that each and every one of us is loved unconditionally in spite of our imperfections was such a privilege.

Every Tuesday, I lead morning devotions for form groups in Boteler where I get to ask these questions, hear what young people think, and share Bible passages with them about who God truly is and what He really thinks. I believe that He is powerfully at work in their hearts and minds, and I am so excited to see how He will continue to move in the lives of these young people.
